

MEDIA RELEASE for Mrs. Welch's Preschool Class (informal)

I enjoy taking pictures and videos of the preschool students and then posting them on our classroom website or emailing them to our Welch PreK group list of parents. At times, I will also forward them to the office to be on the Eastern Elementary Facebook Page.

***YouTube Videos I post are through a PRIVATE LINK so only those with the link can view them and they cannot be searched for on YouTube by the general public**

Please review the options and select what you are comfortable with... you have already signed a Media Release Form for TCAPS/Eastern Elementary but this is specifically for my classroom events/students.
